Maggie Valley Road Race

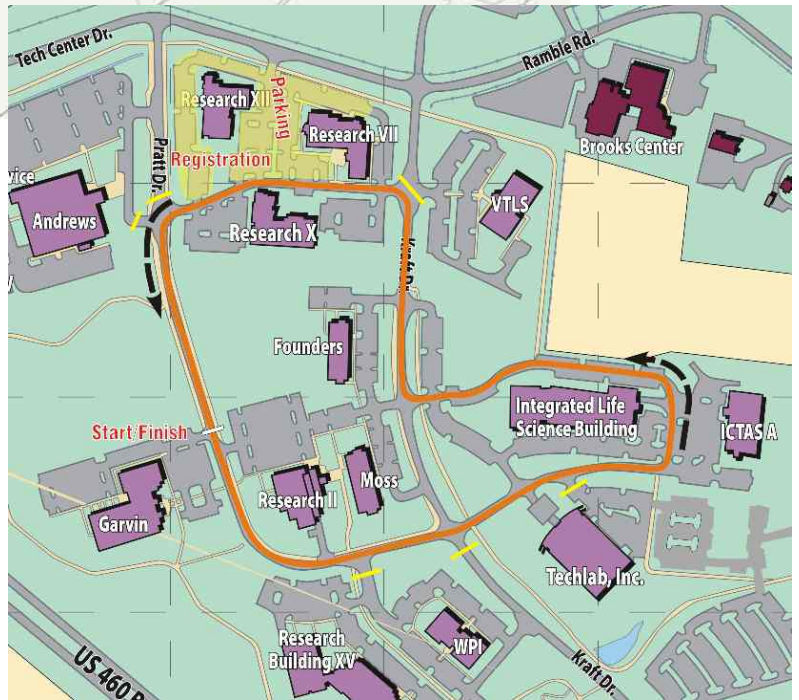

This course is located in beautiful Craig County, Virginia. It features a scenic transit across the valley floor and then one twisty roller after another. Do this 15 mile loop a few times and then proceed up the side of John's Creek Mountain for a final mile of 9% climbing. (not Cat 5, W 4, or M 50+) If you like to get out of sight of the peleton, this is the course for you.

This course is out in the country. The nearest store is about 12 miles away so be prepared.

CRC Criterium

Located at the Virginia Tech Corporate Research Center. This course is no Nascar course, five corners with both left and right turns. It also has a nice stiff hill into the finish and a false flat just around the corner that will leave your legs burning

Mudpike TT

This is a 16km out and back time trial over rolling terrain.
